CONFERENCE PROGRAM SCHEDULE

MONDAY, SEPTEMBER 29, 1986

8:30 - 5:00 **REGISTRATION**

8:30 - 1:00 **EXHIBITS OPEN**

8:30 - 5:00 **BOOKSALE, GLOBE/HORNBOOK
AWARD BOOKS**

Your chance to purchase these award winning books. Many of the authors will be available for autographs from 4:30 -5. *Sponsored by the New England Roundtable of Children's Librarians*

9:00 - 10:30 **THE FUTURE DIRECTION OF CHILDREN'S LIBRARIANSHIP: MOVING INTO THE 90'S**

Keynote speaker Maria Salvatore, who directs children's services at the District of Columbia Public Library, will spark roundtable discussions on the competencies required for children's librarians, the possibilities and potentials for career development, and funding issues such as salary levels and budget allocations. Action items will be solicited to guide NERTCL in improving status of children's librarians. *Sponsored by the New England Roundtable of Children's Librarians.*

9:00 - 10:30 **QUALITY SCHOOL MEDIA PROGRAMS:
WHAT'S INVOLVED?**

Jim Bennett, Library Media Supervisor for the Shoreham/Wading River, NY school district, describes what makes up a quality school library media program. His exciting ideas won the Encyclopedia Britannica School Library Media Program of the Year for his district in 1985. *Sponsored by the New England Educational Media Association*

9:00 - 10:30 **BACK TO BASICS: CREATING
INEXPENSIVE SLIDE SHOWS**

All the information you need to produce high quality low cost slide or slide/tape programs. Program will include tips on photography, storyboards, editing, music selection, special effects, and slide/sound synchronization from experienced experts. *Sponsored by the Media Section*

10:30 - 12:00 **PROJECT EMPORER I: CHINA'S
TREASURES REVEALED VIA
VIDEODISC TECHNOLOGY**

From her project combining humanities and technology, Dr. Ching-chih Chen presents her videodisc on the sites and artifacts from the period of the First Emperor of China, including the terra cotta warriors and horse figures found near his tomb in Xian, China.
