the new england microcomputer users group

## EMPEROR I, MICROCOMPUTER CONNECTIONS AND MORE

is the theme of the NEMICRO (New England Microcomputer Users Group) fall meeting to be held on Saturday, November 7th, 1987, at Simmons College, Boston, MA, from 9 a.m. to 3 p.m.

The keynote speaker will be Dr. Ching-chih Chen, Professor and Associate Dean of Simmons College Graduate School of Library and Information Science who will describe the Emperor I project, concentrating on the role of microcomputers in various exciting applications related to interactive videodisc technology. Doug Nickerson of Image Concepts, Inc., will follow with a presentation on "C-Quest: Image Cataloging and Retrieval Software--How It Applies to Project Emperor I and Others." Other microcomputer applications will be discussed and demonstrated later in the program.

To register send check made out to NEMICRO, along with name, affiliation and telephone number to Linda Watkins, GSLIS, Simmons College, 300 The Fenway, Boston, MA 02115. \$15 members, \$20 non members. Lunch is included in this cost. Registration deadline is November 3.
